PESTS

512 East 14th Street, Kansas City, Missouri

(Subscription Price, $3.00 Per Year)

This handy reference page is supplied to the National Pest Control Association so that it may be filed with Service Letters. Many file pages in loose leaf binder so as to refer for information as printed in PESTS.

Index for 1941

In the January issue, there was printed a summary or index of all major articles that were published during 1941. This feature has proved so helpful and so many have been the complimentary remarks about such index forming an easy reference, that we are offering the combined index of both feature articles and editorials that have been published throughout the entire year of 1941.

EDITORIALS

Advertising, (Is It Legal To Use "Free")....January
Annand Named Chief, Hoyt Associate Chief, of Entomology and Plant Quarantine Bureau....October

Household Insect Pests, Common Names of—F. L. Campbell....January
Housing Hygiene of Baltimore, Md., Ordinance on....May

Infantile Paralysis, What We Can Do in the Prevention of—Geo. E. Sanders....May
Insect Control, Chemistry in—Dr. E. G. Thomssen and Dr. M. H. Doner....August

(OVER)

ARE YOU A SUBSCRIBER?

Only the feature material has been included in the above index. Many other short notes and valuable information for the P.C.O. are printed every month. CAN YOU AFFORD TO BE WITHOUT THIS INFORMATION? Even better things are in store for the coming year. Subscribe now so as not to miss any of them. The subscription price is only $3.00 for the year, which includes at least 432 pages of pertinent and valuable information for P.C.O.'s and those allied with the industry. Use the following form, or attach check to your business card or letterhead—but DO IT NOW, while you think of it.

Send us Pests for a year for which $3.00 is attached.

Name.....Address.....

City and State.....
